OTHER IMPORTANT INFORMATION

- The fee for a stalking guide is charged in the case of a successful hunt, wounding the game or an inaccurate shot.
 - The preservation comprises of boiling and simple blanching of the trophy.
 - The fee for shooting disallowed game is charged, if the hunting guest shoots, from his/her own decision or against the instructions of the stalking guide, game which was not destined for shooting. The fee for game hunted in this way is a 100% surplus charge on top of the basic fee.
 - Small game (with the exception of pheasants) will be hunted only in cases of their sufficient numbers and the permit to hunt.
- Services not charged for – a means for collection of game and organising festive displaying of the killed game
